

Job offer for radiologist in Notodden, Norway

A vacancy as a staff specialist/consultant in radiology is open at Telemark Hospital in Notodden, Norway.

Telemark hospital covers all the municipalities in Telemark and around 170 000 residents. It includes the hospitals in Skien, Porsgrunn, Notodden, Tinn, Sauherad and Kragerø.

Telemark hospital has in total 2750 employees and around 350 of this employees work at Notodden hospital. At the radiology department they perform radiological procedures such as ultrasound, fluoroscopy examinations and interventions and CT examinations of the entire body.

The department of radiology has two MRI, four CT, 8 ultrasound and 11 radiology labs. One of the CT has a gamma camera for cardiac evaluation. The department carries out the vast majority of studies with the exception of conventional angiography. Intervention activity increases and there is a good cooperation with the central hospital.

The equipment at the department has a very good standard. There are two new CT scans. The department is located in the newest part of the hospital and was additionally upgraded with ventilation, new audio-visual equipment and more.

There are guard duties to the position.

We offer:

- Permanent contract after six-month trial period.
- Salary starting from 5000 euro net per month. Duties, if there will be, will be paid apart.
- Training courses within working hours.
- Help to find: apartment, school and kindergarten.
- Invitation to study tour to Norway after a first interview, to learn more about the region and the work environment.
- Assistance with removal and relocation costs.
- Intensive Norwegian course, also for the family.
- Remuneration during the Norwegian language course of 700€ monthly net, a supplement for children of 70€ monthly net, free apartment and travel costs for the family.

All the services of MediCarrera are free of charge for the candidates.

Requirements:

- Specialist title in Radiology with experience and/or interest in intervention.
- Availability to complete the Norwegian intensive course
