Mid Cheshire Hospitals NHS Foundation Trust wishes to recruit to three Consultants in Emergency Medicine. The post holders should have a broad experience in Emergency Medicine. It is intended that one of these Consultant posts will act as the Paediatric Lead in the Department. The post-holder will therefore require a sub-specialty interest in Paediatric Medicine, ideally with a dual accreditation in Emergency Medicine and Paediatric Emergency Medicine. The successful applicants must have full registration with the GMC and continue to hold a Licence to Practise. The applicants must also be on the Specialist Register or be within six months of obtaining their Certificate of Completion of Training in Emergency Medicine. Basic Salary : The current salary scale is £74,504 rising to £100,446 per annum, for 10 programmed activities per week + extra.

Qualifications

FCEM or equivalent

Full Registration with the General Medical Council and a Licence to Practise

On the Specialist Register or be within 6 months of obtaining CCT in Emergency Medicine at the time of interview

ALS, ATLS & APLS/PALS provider certificates.

Royal College of Radiologists Level 1 competence in Emergency Ultrasound.

Dual accreditation in Emergency Medicine and Paediatric Emergency Medicine

Experience

Broad experience in Emergency Medicine

Full Driving Licence

Experience in critical care medicine, acute medicine and/or paediatrics.

Sub-specialty interest in Paediatric Medicine

Ability

Recognised ability to work within, and provide leadership in, the multidisciplinary team

Effective communicator

Excellent interpersonal skills

Flexibility of approach

Commitment to clinical risk management and implementation of clinical governance

Effective team leader

Teaching and Education

Experience and interest in teaching both junior medical and non medical staff

Evidence of commitment to continuing professional development and lifelong learning

Commitment to teaching

Instructor Certificates in ALS, ATLS and/or APLS/PALS

Offer

The post holders will be required to undertake Continued Professional Development (CPD). This will be discussed at appraisal. The Trust supports the requirements for Continuing Medical Education as laid down by the College of Emergency Medicine, and is committed to providing time and financial support for these activities.

Please send your CV to info@atlasconsulting.gr.
